## A letter from the President

Dear Members,

Our 2014-2015 fiscal year has officially begun! I want to personally thank you for your commitment to ASID and the South Central Chapter. We could not be the organization we are without you! As your chapter president, I would love the opportunity to meet each and every one of you. So please do not hesitate to contact me at any time. My email is ASIDSCC.president@gmail.com. I am passionate about interior design and your input, so I look forward to hearing from you!

In the upcoming year, exciting new changes are happening with both National and the South Central Chapter to take ASID to the next level as THE professional organization for the interior design industry. Upcoming changes include:

- We are very excited about the New Messaging for ASID 2.0 – National is working on standard talking points to help present a unified message.
- Updates and changes to our Chapter Websites are occurring by National to align all chapter websites with ASID's main website. Revisions may be as early as January!
- Be looking for the Upcoming Slate for your incoming board (2015-2016). If you are interested in serving on the board, please contact Toni Gocke Wyre at twyre@werarch.com.
- At the Chapter level, we are refining programs, conferences and events we offer to our members. A Chapter Survey will be sent soon for your feedback. We truly appreciate and listen to your feedback as we plan future events!
- By looking back at historic membership numbers, results have shown that the largest membership group we are losing is Emerging Professionals and Students. As we continue to make ASID a viable and strong organization, we encourage you to reach out to our individual students, ASID student organizations, and emerging professionals. They are the future of ASID and they truly do appreciate interacting and learning from you, the practicing professional.
- Lastly, please take note of the ASID South Central Chapter Board Members. It is our hope to be a reference and resource whenever the opportunity might arise. Each one of the board members is truly invested in ASID and wants to make your commitment and dedication to ASID rewarding and worthwhile.

We, the board, look forward to an exciting year with you, the ASID South Central Chapter! Meeting you, learning of your accomplishments, helping in any way possible to make your profession and business better, as well as, making our profession grow is our goal for you.

Sincerely,

Sarah Wihoit, PhD, IDEC, ASID, NCIDQ® NO. 022374  
President, South Central Chapter of ASID [Arkansas|Louisiana|Mississippi]

To All of Our Members,

Thank you for making my time on the South Central Chapter Board such a wonderful experience. I have enjoyed getting to know so many of you on a more personal level and as I travel the country interacting with other designers, I realize that our southern region has a lot to be proud of! You are a talented and amazing group of designers. If you are like me, you became a designer because you love solving problems, and creating a better work, health and/or living environment for your fellow humans. And it always helps when the space is beautiful, too. But design is so much more than just a pretty photo in a magazine and ASID really understands that. #designmatters

ASID is THE definitive organization for ALL types of design and I'm excited to see what the future holds for us. My experience with ASID on the national level has taught me a great deal about leadership and I've gained skills that help me to be a better designer every day. If this sounds like fun, it is! I encourage you to become more involved with our organization, whether by just attending local meetings or chapter events, or by volunteering to be on a committee or the board. I will continue on in my service to ASID, as the Chair-Elect of the National Chapter Support Team. I hope you will reach out to me if you have any ideas, thoughts, or concerns about our organization or profession as a whole.  
TWyre@WERarch.com

All my best,

Toni Gocke Wyre, ASID, LEED AP, AIA Affiliate, ASRID #5269, NCIDQ 20058  
Chair-Elect, ASID National Chapter Support Team

# ANNUAL DESIGN CONFERENCE & Awards Gala

The 2014 ASID South Central Chapter Conference was held in Shreveport, LA. The conference featured several CEU opportunities, amazing speakers, great tours, and fun networking events!

# ANNUAL DESIGN CONFERENCE & Awards Gala

## *Excellence in Design Awards Gala*

The 49th annual gala and award ceremony took place at 601 Spring Street (South Central Chapter 2013 Gold Award winner) located in the historic George T. Bishop building in downtown Shreveport. Attendees enjoyed an evening of southern dining amid a rustic elegant décor of flowers indigenous to north Louisiana. Design elements such as natural 'nests' focused on the philanthropy of the North Louisiana District through The Renesting Project developed by our local member Noel Haacker, ASID. Members honored former colleague Robert "Bob" King, ASID with a special tribute to his family and presentation of the first scholarship recipient of the Robert King scholarship at Louisiana Tech University funded by the North Louisiana District.
